# Each And Every Day

This is how I wake up  
This is how I wake up  
This is how I wake up  
Each and every day.

This is how I wash my face  
This is how I wash my face  
This is how I wash my face  
Each and every day.

This is how I bathe myself  
This is how I bathe myself  
This is how I bathe myself  
Each and every Day

This is how I brush my teeth  
This is how I brush my teeth  
This is how I brush my teeth  
Each and every day

This is how I brush my hair  
This is how I brush my hair  
This is how I brush my hair  
Each and every day

    Each and every day  
This is how I put away my toys
