شفت نمر کبير کبير

شفت نمر کبير کبير
وخفت مننه کثير کثير
هجم عليّ حتى ياكلني
يا ماما تمّه شو کبير کبير کبير کبير
لقبت حالي واجهته
صرخت صوت خوفته
ضربته بكس و طيرته
و نطيتوقعت من تختي
يمكن أنا عم بحلم
فتشت فوق التخت
فتشت تحت التخت
فوق التخت و تحت التخت
ما لقيته
نمر خويييييييييييييي هرب مني

I Saw a Huge Tiger

I saw a huge tiger
I got so scared
It opened its mouth and jumped on me
Oh Mum! That scared me!

I saw a huge tiger
I got so scared
It opened its mouth and jumped on me
Oh Mum! That scared me!

It got closer and closer

I turned around and faced it
I yelled loud and scared it
I punched it and tumbled it away

I jumped off my bed... I fell...
Oops! I must have been dreaming!

I searched over the bed
I searched under the bed
Over the bed
Under the bed
But nothing was there...
What a coward tiger... I scared him away!
