

عيد الأم

أنا حامل وردة بإيدي
لوردة أحلى بكثير
هذه الوردة هي ماما
حبّها بقلبي كثير كبير

من أوّل نظرة حبيتك
من أوّل لمسة حنان
لما حملتيني و غنّيت
وهزيتيلي حتّى نام

جاي اليوم بعيدك أقول لك
وجودك جنّة يا ملاك
وجودك جنّة يا ملاك

على المحبّة ربّيتيني وغمرتيني بالحنان
على الشّجاعة عودتيني وأشعرتيني بالأمان
على التّسامح وجّهتيني و للوفا كنت عنوان
علّمتيني و درّستيني وللأمل كنت بستان
جاي اليوم بعيدك قول لك مني تقدير و عرفان
أمّي يا أحلى إنسان

كلمات والحنان: سناء المعشر

Mother's Day

I have a rose in my hand
For another rose that's much more beautiful
That rose is Mama
Whom I love with all my heart

I loved you when I first saw you
When you first held me
When you carried me and sang to me
And rocked me to sleep

On your day I want to say
Having you here is heaven, Angel
Having you here is heaven, Angel

You raised me to love
And embraced me with affection

You taught me to be brave
And made me feel safe

Mother's Day

You guided me to forgive
And faithfulness was your way

You taught me and educated me

You gave me hope
On your day I want to say
Having you here is heaven, Angel

Mum you are the best

I have a rose in my hand
For another rose that's much more beautiful
That rose is Mama
Whom I love with all my heart

I loved you when I first saw you
When you first held me
When you carried me and sang to me
And rocked me to sleep

On your day I want to say
Having you here is heaven, Angel
Having you here is heaven, Angel
