

## خَلِّيك مَبسوط

إِذا كَنت مَبسوط اليَوم زَقَّف يَدِيكَ

إِذا كَنت مَبسوط اليَوم زَقَّف يَدِيكَ

إِذا كَنت مَبسوط اليَوم

لِيش ما تَخَبَّر كَلَّ الكون

إِذا كَنت مَبسوط اليَوم

زَقَف يَدِيكَ

إِذا كَنت مَبسوط اليَوم

ارفع ايدِيكَ

إِذا كَنت مَبسوط اليَوم

اضرِب بِرَجَلِيكَ

إِذا كَنت مَبسوط اليَوم

اغْمض عِينِيكَ

إِذا كَنت مَبسوط اليَوم

ضم صَدِيق

إِذا كَنت مَبسوط اليَوم

لِيش ما تَخبر كل الكون

إِذا كَنت مَبسوط اليَوم

زَقَف يَدِيكَ

# Stay Happy

If you're happy today clap your hands,  
If you're happy today clap your hands  
    If you're happy today  
    Why not let the whole world know,  
If you're happy today clap your hands.  
If you're happy today raise your arms up high  
If you're happy today raise your arm up high  
    If you're happy today,  
    Why not let the whole world know,  
If you're happy today raise your arms up high.  
If you're happy today stomp your feet,  
If you're happy today stomp your feet  
    If you're happy today,  
    Why not let the whole world know,  
If you're happy today stomp your feet.  
If you're happy today shut your eyes,  
If you're happy today shut your eyes.  
    If you're happy today  
    Why not let the whole world know,

# Stay Happy

If you're happy today shut your eyes.  
If you're happy today hug a friend,  
If you're happy today hug a friend,  
    If you're happy today  
    Why not let the whole world know  
If you're happy today hug a friend.  
    If you're happy today  
    Why not let the whole world know  
If you're happy today clap your hands.
